The Kappa Foundation of Georgia, Inc. (KFOG) has been a pillar of support of the African American community since 1993, dedicated to fostering self-sufficiency and independence. Our mission focuses on empowering families through literacy, educational excellence, employment opportunities, and family unity.

For over three decades, we have inspired youth in the metropolitan Atlanta area to pursue academic achievement and post-secondary education through financial support and mentorship. As we move forward, KFOG is expanding its philanthropic efforts to encompass a broader range of charitable causes, aiming to make an even greater impact in the community. Recently, the foundation has focused on organizations such as Children's Healthcare of Atlanta, For Peace I Rise, the Carver Y.M.C.A., and St. Jude Children's Research Hospital.

Join us for KFOG's Tenth Annual Invitational Golf Tournament on September 28, 2026, themed "If You Can See It, You Can Be It." This exciting event is more than just a day on the greens; it serves as a vital fundraiser to raise awareness about the educational challenges faced by young males. With your support, we can empower our youth to thrive in the 21st century and become productive citizens. Together, let's mentor, train, and develop our young African American males, equipping them to compete in a global economy and work towards finding cures to save our children.

Thank you, in advance, for your support.

Sincerely,

James E. Freeman
Board Chairman
