Since its establishment in 1993, the Kappa Foundation of Georgia, Inc. (KFOG) has been a beacon of hope for the African American community, striving to foster self-sufficiency and independence. Our mission is to empower families to take charge of their lives, promote literacy, educational excellence, employment, and family unity.

During its first three decades, the KFOG primarily focused its efforts and financial contributions on youth in the metropolitan Atlanta area, aligning with its mission. This led to the theme of "promoting academic achievement," which aimed to create opportunities for post-secondary education. In addition to financial support, KFOG also provided mentorship and guidance from successful individuals to inspire and advise young people on their career paths.

Over the past few years, KFOG has decided to broaden its philanthropic efforts by identifying and supporting a more comprehensive range of charitable causes. By doing so, the foundation aims to help improve the broader community. Recently, the foundation has focused on organizations such as Children's Healthcare of Atlanta, For Peace I Rise, and St. Jude Children's Research Hospital.

On September 30, 2024, KFOG will host its Eighth Annual Invitational Golf Tournament, a crucial event themed "If You Can See It, You Can Be It". This golf tournament fundraiser is not just a golf outing but a platform to raise awareness about the educational challenges facing young males and support KFOG's efforts to prepare our youth to become productive citizens able to compete in the 21st century.

The Kappa Foundation of Georgia seeks your support and participation in our Golf Invitational. With your help, we aim to improve our community, mentor, train, develop, and sustain our young African American males to compete in a global economy and help find cures to save our children.

Thank you, in advance, for your support.

Sincerely,

James E. Freeman
Board Chairman

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form
